We look forward to hearing from you!

THE CHURCH

At St Stephen's, we make our wonderful music in an inspiring neo-gothic church in the woods on College Road.

It is a **broad and inclusive church where formal liturgy, challenging preaching and fine music are highly valued**. A new grand piano was acquired a few years ago, and an organ appeal is in the pipeline.

THE CHOIR

We presently have a membership of around 35 adults from many walks of life. Everyone is **amazingly friendly**, and our repertoire is enjoyable and eclectic.
